

EVERY DAY

DOMINION LINEMAN MYRON BURRELL HELPS BRING SCIENCE TO LIFE FOR THOUSANDS OF VIRGINIA'S KIDS.

We know communities run on more than just electricity. They run on the energy of the people who live and work there. That's why Dominion's support for education—especially in math and science—is such a companywide priority. We're proud to help instill a sense of wonder and love for knowledge in students across our state. It's all part of giving them the tools they need to be successful today and tomorrow. And that's energy well spent. To learn more, visit dom.com.
