

ONLY SOME OF OUR PLANTS GENERATE ELECTRICITY.

Our commitment to the environment is helping
create cleaner and greener communities.

At Dominion, our dedication to a healthy ecosystem goes well beyond our financial investment in science and technology. It also takes on a personal touch. Like our employee volunteers who donate thousands of hours each year to conservation efforts. They pitch in to refurbish nature trails, build outdoor classrooms,

clean up streams and parks, and assist established conservation groups. Environmental stewardship is something that runs throughout our company. And you can see it at work every day.
