Over the years, Dominion has honored 234 remarkable people in our Strong Men & Women series. Write about one of them and you could win a laptop and \$1,000 for your school.

To enter the Strong Men & Women: Excellence in Leadership Writing Contest, see your guidance counselor or go to www.dom.com, keyword: strong

For the first time, essays submitted must answer one of the following questions:

- If you could meet any one of the Strong Men & Women honorees, whom would you pick? Why?
- Which one of the Strong Men & Women honorees has influenced you or made an impact on your life? How?
- In your opinion, which one of the Strong Men & Women honorees made the biggest impact on history? Why?
