 - b) qualify for transportation service under the PUCO Gas Transportation Program Guidelines; and

If EGM capability approved and required by East Ohio is not available at any of the Delivery Points specified in the contract at the time the contract is executed, such equipment shall be installed, owned, operated, and maintained by East Ohio, provided, however, that all costs associated with the purchase and installation of such equipment shall be borne by the Customer and paid to East

Ohio in equal monthly installments over a period specified in the contract, which period shall not exceed 24 months. In addition:
