

David A. Heacock
President and Chief Nuclear Officer—Dominion Nuclear

David A. Heacock is president and chief nuclear officer of the Dominion Nuclear business unit of Dominion Generation.

He is responsible for Dominion's overall nuclear operations, which include four nuclear power stations located in Connecticut, Virginia and Wisconsin.

Heacock joined Virginia Power in 1979 and has held numerous management positions in Nuclear Operations, Generation and Transmission & Distribution. Before assuming his current position in June 2009, he served as president of the company's Dominion Virginia Power operating segment from October 2007 to May 2009.

He is a member of the board of directors of the YMCA of Greater Richmond.

Heacock received a bachelor's degree in nuclear engineering from the University of Virginia.
