

Mark F. McGettrick
Executive Vice President and Chief Financial Officer

Mark McGettrick is executive vice president and chief financial officer of Dominion Resources, Inc.

His areas of responsibility include treasury, accounting, tax, investor relations, risk management, business planning and financial analysis.

McGettrick joined Dominion in 1980 and has held a variety of management positions in Distribution Design, Accounting, Financial Planning, Customer Service and Generation. He previously served as president of Dominion Resources Services, Inc. and was chief executive officer of the company's Dominion Generation operating segment before assuming his current post in June 2009.

He currently is a member of the Virginia Electric Power Company Board of Directors as well as the George Mason University's Board of Visitors. In addition, he serves on George Mason's School of Business Dean's Council. He is also on the Homeward Board of Advocates, an organization for homeless services in the greater Richmond region.

A graduate of George Mason University, he has a bachelor's degree in business and was named the Public Company CFO of the year in 2011 by Virginia Business Magazine.
