

Gary L. Sypolt
Executive Vice President, Dominion Resources, Inc.
Chief Executive Officer–Dominion Energy

Gary L. Sypolt is executive vice president of Dominion Resources, Inc. and chief executive officer of the company's Dominion Energy operating segment.

His responsibilities include oversight of Dominion's regulated gas transmission pipeline and storage operations, regulated liquefied natural gas operations, Ohio and West Virginia regulated natural gas distribution operations and producer services operations.

He joined the company in 1975 and has held numerous management positions at Dominion. Sypolt was president–Dominion Transmission before assuming his current post in June 2009.

Sypolt is a member of the boards of directors of several industry associations, including the Southern Gas Association, the American Gas Association and the Interstate Natural Gas Association of America, of which he serves as second vice chair. He is past chairman of the Interstate Natural Gas Association of America Foundation and also serves on the board of the Richmond Forum and the National Advisory Board for Advanced Energy at West Virginia University.

Sypolt holds a bachelor's degree in electrical engineering from West Virginia University.
